

T A N C A

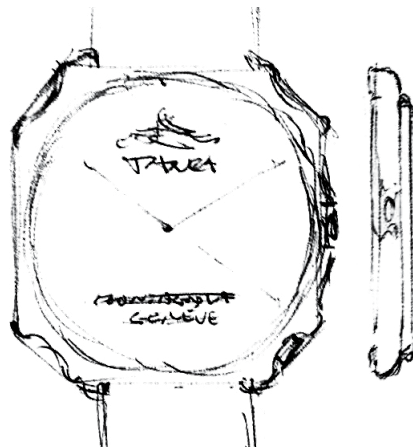

“A wise heart for a new soul.
Swiss Movement produced in
1966, which has remained
asleep until today waiting to
donate life to a pure form”

“The DNA Chain,
the genetic code that
regulates life.
The extreme symbol,
discrete on your wrist”

“Big even numbers. Time
flows and it has a meaning”

“Sitting on the lake’s shores.
Harmonious curved lines of
the waves and mountains.
The straight lines of the
houses and horizon.
An harmonious time shell”

“A safe harbour to recharge.
The charging crown is protect as
are your shirts thanks to the
softness and lightness
of titanium”

“As the philosophy of Ying and
Yang, the watch’s identity
is flexible - woman/man,
sport/luxury”

“The Watch is ready and
the dream came true.
All the essence and aesthetic
beauty of three Lakes - Cusio,
Ceresio and Lemano - in an
object that lives
on your wrist”

FEATURES

Caliber Ref	PT7040
Movement Type	manual wind, mechanical
Diameter	10.5" (23.3 mm)
Height	3.1 mm
Jewels	17
Lift Angle	52 degrees
Power Reserve	44 hours
Vibration per hour	21, 600 bph
Features	hours, minutes
Case	titanium
Glass	sapphire glass
Back Case	inox / sapphire glass
